Laure/Michele:

In the attached file [1025.doc], you will see material on the 2016 Wine Trains hosted by the Greater Carbondale Chamber of Commerce that was published in the December 2016 and the February 2017 issues of the *Bridge Line Historical Society Bulletin* (the largest and best D&H publication out there today).

The material on the wine trains is on the third and the seventh pages of the attached file.

Life is good. On with the show.
